

Route Faro airport to Casa Sereno (when following the route via Google maps you can enter: casa sereno lagoa)

From Faro airport follow the signs towards the A22 motorway.

Follow the blue signs towards Lisboa, Albufeira, Portimão de A22 (not towards Espanha).

Follow the A22 in the direction of Albufeira / Portimão and continue until the exit Alcantarilha exit 7 (about 20 minutes). This route on the A22 is the fastest and the easiest and the toll is only € 2.60

At the roundabout, take the 2nd exit onto the N125. This feels like turning right as the first exit is a narrow road that comes immediately when you enter the roundabout.

Roundabout straight ahead.

Roundabout straight ahead.

Roundabout straight ahead (this is in Porches and there are 2 petrol stations immediately after the roundabout).

Roundabout turn left (3rd exit) towards the Praia Benagil and Praia Marinha beaches.

There is a small crossing and go there straight ahead (up hill).

At the top of the hill on the crossroad, take the exit to the right towards Lagoa - Carvoeiro - Vale Del Rei.

Follow this road until the roundabout where you take the 3rd exit (narrow paved road into the valley). Between the junction and the roundabout there is another exit to the Hotel Vale del Rei at a small escape hill that should not be confused with a roundabout. Do not turn right here but follow the road that bends to the left.

Follow this road and then the 1st left. This is a badly visible exit so pay attention. All roads are paved. After about 200 m you will find Casa Sereno on your right.

Total travel time approx. 40/45 minutes.

If you can not find it, feel free to call.

Have a Good trip,
